Bradford Deanery

Allan Coutts has served as Vicar of St Thomas' Trowbridge and St John's West Ashton for the past 11 years, and prior to that, in two parishes in Leicestershire. He has a longstanding desire to see the presence of God, the power of the Holy Spirit, and the demonstration of the Kingdom of God become everyday, experienced realities within the historic churches of this country. This has led him into fruitful involvements with the Alpha Course, New Wine Conferences, the Cell Church movement, and more recently, to spend a Sabbatical at Bethel Church, Redding, California and Toronto Airport Christian Fellowship.

Calne Deanery

Karen Rizzello - I am a full time business woman working within the Strategic arena for a leading global technology company. This involves me in the design and implementation of key strategic initiatives and requires me to collaborate closely with corporate customers and company executives. I particularly enjoy working in complex environments requiring cross boundary networking and love working in a team. I have a degree from Leicester University, a Post Graduate Certificate in Education from Kings College, London and an MBA from the Open University Business School. I worship at St.Bartholomew and All Saints Church, Wootton Bassett where I am a server, intercessor and chair of both the Planning for the Future and the Church Communication teams. I am also Vice Chair of the PCC, a member of the Calne Deanery Synod and a Lay Canon of Salisbury Cathedral. I have had the honour of serving as Church Warden and I served during 2007/8, at the invitation of Bishop Stephen, as a member of the Ramsbury Team; the 'common room' for theological reflection and strategic discussion surrounding the core ministers.

Calne Deanery

Thomas Woodhouse is Vicar of Wootton Bassett and Rural Dean of Calne. Before moving to the Diocese of Salisbury he served as Assistant Curate of Cainscross with Selsley and Vicar of Hardwicke, Elmore and Longney, both in the Diocese of Gloucester: there is a very successful Ministry Review Scheme in place in the Diocese of Gloucester and Thomas made full use of it from the start of his ministry. Before ordination Thomas worked in the hotel industry and had responsibility for staffing and staff training; it is surprising how many similarities there are between a vocation lived out in the hotel trade and the vocation of a priest lived out in a parish!!

Paul Richardson - Age 52. Ordained in 1984 in Carlisle diocese. I have served in both parish and sector ministry in Carlisle, Blackburn and Manchester dioceses. I moved to Salisbury diocese in 2000, and was Team Rector of the White Horse Team Ministry before taking up my present post as Rector of Devizes, St John and St Mary. I took a Clinical Theology Association weekly course in Human Development and Counselling over a period of four years between 1991 and 1995. I have a City and Guilds Certificate in Adult Education and took part in the "Optimise" coaching course in 2002/3. I have been a Training Incumbent and a Rural Dean twice over. Married with three teenage boys between us. I learned how to ski at the age of 45 and how I wish I had had the chance 30 years earlier!

Andrew Studdert-Kennedy is Team Rector and Rural Dean of Marlborough and has been in parish ministry for 20 years. He is married with four children and believes his family life helps to keep things in perspective. He enjoys reading, sport and politics. Keenly aware of the weaknesses of the parish system, he is nevertheless convinced that parish work is more 'mission-shaped' than is often recognised.

Freda Beveridge - I grew up in the Pewsey Vale. Much of my working life was spent in urban, or semi-urban, areas but I always maintained contact with Wiltshire and so remained conversant with rural issues. My pre-ministry career in vocational guidance developed my skills in enabling people to reflect, think laterally and see beneath the surface of situations. Much of my ministry was in ecumenical teams (including being Team Leader and Team Rector) – a challenging, but enriching, experience. I trained as a consultant in the Oxford Diocese and, on retirement, took the Optimise Consultancy Course. People say they value the gentle way in which I challenge them
