

## Recommended Church School Ethos Statement

This statement was recommended to church schools nationally after consultation with Diocesan Directors of Education across the country.

Recognising its historic foundation, the school will preserve and develop its religious character in accordance with the principles of the church at parish and diocesan level. The school aims to serve the community by providing education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith and promotes Christian values through the experience it offers all pupils.
