Juthware Collect

O Lord
may your people be inspired
by the example of
St Juthware,
that we all might work for the
common good of our neighbours
and those who visit us.

Where we encounter
jealousy and unkindness
may we return
generosity and compassion
and where there is conflict
let us restore peace,
knowing this to be Your will.

Grant us the grace to be
as steadfast as Juthware
in all good thoughts and deeds
so that our village of Halstock
may truly be called a Holy Place.

Amen
