(2) Active case management includes—

- (a) encouraging the parties and any other persons concerned in the proceedings to co-operate with each other—

### **Excluded matters – general**

- 3.5.**—(1) Rules 3.2 to 3.4 do not permit the undertaking of any of the following matters—

(3) Where it is proposed to undertake a matter which falls within paragraph (1) a faculty (or an interim faculty under Part 15) must be sought.

### **Excluded matters orders**

**3.6.**—(1) An order made by the chancellor under [section 78(3)] of the Measure (which provides, in respect of a parish, church, churchyard or other building or place in the diocese, that a matter specified in the order may not be undertaken without a faculty even though it is prescribed in List A or List B) is known as “an excluded matters order”.

(4) Where the chancellor has made an excluded matters order and it is proposed to undertake a matter specified in the order in respect of the parish, church, churchyard or other building or place in the diocese to which the order relates, a faculty (or an interim faculty under Part 15) must be sought.

### **[Jurisdiction of consistory court]**

**3.7.**—(1) The fact that a matter may be undertaken without a faculty under this Part does not prevent the court from exercising its jurisdiction in respect of the matter.

(2) The court may accordingly grant a faculty or make an order which permits the undertaking of the matter (whether subject to conditions or otherwise) or restricts or prevents the undertaking of the matter.]

(3) A matter may not be undertaken without a faculty under this Part if undertaking that matter would be in breach of—

- (c) the terms of any undertaking given to the court.

### **[Determination of questions]**

### **Initial advice from Diocesan Advisory Committee**

**4.3.**—(1) When the Diocesan Advisory Committee is consulted under rule 4.1(1)(a) it must consider whether it should give the intending applicants initial advice to assist them in relation to the works or proposals and, if not, whether it should proceed to give its final advice in accordance with rule 4.9 (notification of advice).

(2) In considering whether it should give the intending applicants initial advice the Diocesan Advisory Committee must, in particular, consider whether rule 4.4 (statements of significance and needs), rule 4.5 (consultation with Historic England, amenity societies etc.) or rule 4.6 (consultation with Church Buildings Council) applies.

(3) If the Diocesan Advisory Committee considers that rule 4.4 applies, it must ask the intending applicants to provide it with statements of significance and needs if they have not already done so.

(4) If the Diocesan Advisory Committee considers that rule 4.5 applies, it must advise the intending applicants as to which of the bodies mentioned in rule 4.5 must be consulted on the works or proposals unless a body has already been consulted on the works or proposals and its response is available to the Committee.

(5) If the Diocesan Advisory Committee considers that rule 4.6 applies, it must advise the intending applicants to consult the Church Buildings Council on such aspects of the works or proposals as the Committee considers fall to be considered by the Council under that rule unless the Council has already been consulted on them and its response is available to the Committee.

- (b) a document setting out the justification for the proposals (a “statement of needs”).

(2) If proposals are likely to result in harm to the significance of the church or other building as a building of special architectural or historic interest, the document setting out the justification for the proposals must set out the basis on which it is said that the proposals would result in public benefit that outweighs that harm. .

### **Consultation with Historic England, amenity societies and the local planning authority in certain cases**

**4.5.**—(1) Consultation with Historic England must be undertaken if works or other proposals—

  - (b) involve demolition affecting the exterior of an unlisted building in a conservation area.
- (3) The question of whether a national amenity society has an interest in works or proposals is to be determined by reference to the age of the building (or the relevant part of it) and the likely effect on it of the proposals.
- (4) Consultation with the local planning authority must be undertaken if works or other proposals—
- (a) involve demolition of a listed building of any grade or its alteration or extension to such an extent as would be likely to affect its character as a building of special architectural or historic interest;
  - (b) are likely to affect the archaeological importance of a building or of remains within the building or its curtilage; or
  - (c) involve demolition affecting the exterior of an unlisted building in a conservation area.

### **Consultation with Church Buildings Council in certain cases**

**4.6.**—(1) Consultation with the Church Buildings Council must be undertaken if works or other proposals—

- (b) involve demolition of a grade II listed building or its alteration or extension to such an extent as would be likely to result in substantial harm to its character as a building of special architectural or historic interest or to its setting; or
- (c) are likely to affect the archaeological importance of a building or of remains within the building or its curtilage.

(2) Consultation with the Church Buildings Council must also be undertaken where works or proposals involve—

- (a) the conservation, alteration or disposal of an article of special historic, architectural, archaeological or artistic interest;
- (b) the introduction of an article of special historic, architectural, archaeological or artistic interest (including new work) in a grade I or II\* listed building;

### **Consultation: procedure**

**4.7.**—(1) When a body is consulted under rule 4.5 or 4.6 it must be informed by letter or electronic communication that it is being consulted in accordance with that rule and that a response to the consultation will be taken into account if it is received within 42 days of the date of the letter or electronic communication.

(2) The notice must be accompanied by—

(6) If the notification of advice does not recommend the works or proposals for approval by the court it must include—

- (a) the Committee's principal reasons for giving that advice; and
- (b) a statement that despite the Committee's advice, the intending applicants may, if they wish, petition the court for a faculty authorising the works or other proposals.

(9) If the notification of advice recommends the works or proposals for approval by the court, or does not object to their being approved, in circumstances where a body consulted under rule 4.5 or 4.6 has raised objections to the works or proposals and has not withdrawn them,

the notification of advice must include the Committee's principal reasons for recommending the works or proposals for approval, or for not objecting to their being approved, despite those objections.

(10) In the case of works or proposals in respect of which an injunction or restoration order is to be sought—

**6.5.** Once the period of 28 days required by rule 6.3(2)(a) or (3)(a), or such longer period as may have been directed under rule 6.4, has expired the petitioner must send to the registrar the public notice (or a copy of the public notice) with a completed certificate of publication.

#### **Exhumation, reservation of grave space and other special cases**

**6.6.—**(1) Paragraph (2) applies where—

- (a) a petition relates exclusively to—
  - (i) exhumation (and the chancellor does not dispense with the giving of public notice under paragraph (3) or (4)), or
  - (ii) the reservation of a grave space; or

- (b) the petitioner is not the minister or a churchwarden, a parochial church council (or a person acting on its behalf) or the relevant person or body.

(2) Where this paragraph applies the registrar must—

- (a) complete the public notice; and
- (b) give directions for the display and return of the public notice in accordance with any directions in that regard given by the chancellor or otherwise as the registrar thinks fit having regard to the matters in rule 6.4(b) to (d).

(3) In the case of a petition that relates exclusively to exhumation, the chancellor may dispense with the giving of public notice if satisfied that any near relatives of the deceased still living and any other persons who in the opinion of the chancellor it is reasonable to regard as being concerned with the matter—

- (a) are petitioners; or
- (b) consent to the proposed faculty being granted.

(4) In any other case of a petition that relates exclusively to exhumation, the chancellor may dispense with the giving of public notice and may direct that any of the persons referred to in paragraph (3) who are not petitioners be given special notice.

### **Emergencies etc. – dispensing with giving of public notice**

**6.7.**—(1) An order may be made under this rule in any case where the chancellor is satisfied—

- (a) that the petition is concerned with addressing an emergency that involves interests of safety or health, or the preservation of a church or part of it, and is of sufficient urgency to justify the grant of a faculty without the giving of public notice under rules 6.1 to 6.6; or
- (b) that other factors mean that it would not be expedient to require the giving of public notice under those rules.

(2) An order made under this rule may—

- (a) dispense with the giving of public notice under those rules; and
- (b) having regard to all the circumstances, contain directions for a specified period of notice to be given to such persons or bodies as the chancellor thinks fit.

- (c) making a restoration order.

(2) If the Diocesan Advisory Committee has given its advice under rule 4.5 in respect of the works or other proposals not more than 24 months before the submission of the petition or

application, the chancellor may proceed to do any of the things mentioned in paragraph (1)(a) to (c) without seeking further advice from the Committee.

(3) The chancellor may proceed to do any of the things mentioned in paragraph (1)(a) to (c) without seeking the advice of the Diocesan Advisory Committee if—

- (a) the proceedings relate exclusively to exhumation or the reservation of a grave space; or
- (b) the chancellor is satisfied that the matter is sufficiently urgent to justify the grant of a faculty, the issue of an injunction or the making of a restoration order without obtaining the Committee's advice.

(4) This rule is without prejudice to the court's power at any time to grant an interim faculty under Part 15 or an interim injunction or interim restoration order under rule 16.6.

### **Reasons for grant of faculty or dismissal of petition**

**7.3.**—(1) Where an unopposed petition gives rise to a question of law or of doctrine, ritual or ceremonial or relates to proposals that affect the legal rights of any person or body, and the chancellor decrees the grant of a faculty but does not give judgment in court or hand down a written judgment, the chancellor must record in summary form the reasons for granting the faculty.

(2) Where a faculty is granted in opposed proceedings or where in any proceedings a petition is dismissed (in whole or in part) the chancellor must give a judgment in court or hand down a written judgment which contains the reasons for the grant or dismissal.

### **[Notification of final determination to body making representations**

**7.3A.** Where Historic England, a national amenity society or the local planning authority has made representations in respect of works or other proposals, the registrar must notify that body of the final determination in the faculty proceedings within 14 days of the determination being made.]

### **Issue of faculty**

(3) The registrar must send the faculty to the petitioner.

(4) The registrar must also send the petitioner a certificate of practical completion of works in Form 8 unless the chancellor directs otherwise.

## **PART 8**

### **Archdeacon's jurisdiction**

#### **Removal of article to place of safety**

**8.1.**—(1) Where the archdeacon is of the opinion that an article should be removed to a place of safety immediately, an order made by the archdeacon under [section 53] of the Measure must be in Form 13.

(2) In any other case where an archdeacon is considering making an order under [section 53] of the Measure—

- (a) the notice required by [section 53(3)(a)] must be in Form 14; and
- (b) if the archdeacon makes an order, it must be in Form 15.

#### **Temporary minor re-ordering**

**8.2.**—(1) On the application of the minister and the parochial church council an archdeacon may give a licence in Form 9 authorising a scheme of temporary minor re-ordering of a church (including its fixtures and fittings) for a specified period not exceeding [24 months].

(2) A licence may not be given by the archdeacon under this rule where a parish has no minister.

(3) Before giving a licence the archdeacon must seek the advice of the Diocesan Advisory Committee or such of its members or officers as the archdeacon thinks fit.

(4) The archdeacon must not give a licence unless satisfied that—

- (a) the scheme does not involve any material interference with or alteration to the fabric of the church or the carrying out of electrical works;
- (b) it does not involve the disposal of any fixture or other article; and
- (c) if the scheme involves moving any item—
  - (i) it will be moved by suitably competent or qualified persons;
  - (ii) it will be safely stored in a place approved by the archdeacon; and
  - (iii) it can easily be reinstated.

(5) The archdeacon may give a licence subject to any conditions that appear to the archdeacon to be necessary.

(6) The archdeacon may amend or revoke a licence.

(7) If the archdeacon refuses to give a licence, or revokes a licence, the archdeacon must inform the applicants that they may, if they wish, petition the court for a faculty authorising the proposed scheme.

(8) A copy of every licence given by the archdeacon must be sent to the registrar and the secretary of the Diocesan Advisory Committee.

(9) The period specified in the licence may not be extended by the archdeacon.

(10) If a petition for a faculty in respect of the scheme authorised by the licence is submitted to the court not less than 2 months before the expiry of the period specified in the licence, the scheme is deemed to continue to be authorised by the licence until the petition is determined by the court.

### **Steps to be taken on expiry of licence for temporary minor re-ordering**

**8.3.**—(1) On the expiry of the period specified in a licence given under rule 8.2—

- (a) the archdeacon must send the minister a copy of Form 10 (which asks the minister to state whether a faculty has been applied for in respect of the scheme of temporary minor re-ordering and, if not, whether the position has been restored to that which existed before the scheme was implemented); and
- (b) the minister must complete Form 10 and return it to the archdeacon within 14 days of receiving it.

(2) If on the expiry of the period specified in the licence the parish does not have a minister, paragraph (1) is to apply as if the references to the minister were references to the churchwardens of the parish.

(3) Save to the extent that it has been authorised by faculty, when a scheme of temporary minor re-ordering ceases to be authorised under rule 8.2 the archdeacon must take steps to ensure that the position is restored to that which existed before the scheme was implemented.

**Clerk of the court**

**20.4.—**(1) Subject to paragraph (2), the registrar is to sit as clerk of the court.

#### To the applicant(s):

The witness statement that accompanies this application must be verified by a statement of truth in the following form—

“I believe that the fact stated in this witness statement are true.”

This application is made by submitting this form with the witness statement to the diocesan registry. The application is issued by the registrar who will enter details of the place and date of hearing in the relevant place in the form.

Unless the court orders otherwise, the application and witness statement must be served by the applicant on the following not less than two clear days before the date of hearing—

- the person against whom the injunction or restoration order is being sought;
- where faculty proceedings have been started, on each of the parties to the proceedings;
- the archdeacon (unless the archdeacon is the applicant); and
- the minister (unless the minister is the applicant) or, where there is no minister, the churchwardens (unless they are the applicants).

Once the applicant has served each of the above persons, the applicant must submit to the registry a certificate of service that complies with rule 16.3(6) of the Faculty Jurisdiction Rules.

#### To the person against whom the injunction or restoration order is being sought:

If you intend to instruct a solicitor to act for you, you should provide the solicitor with a copy of this document immediately.

If you do not attend the hearing at the time and place shown the court may make an injunction or restoration order and order costs against you in your absence. If you have any questions about the hearing you should contact the diocesan registry (details above).

[NB The Court may make a restoration order only if it is satisfied that the proceedings for the order were brought no later than six years after the relevant act was committed. In proceedings brought by an archdeacon, if a relevant fact has been deliberately concealed from him or her, the period of six years does not begin to run until the time when the archdeacon discovered the concealment or could with reasonable diligence have discovered it.]
