

What is a HUB?

Ministry 4 Mission has been running courses related to mission throughout 2014. Out of these gatherings came a request that groupings could happen more locally for practitioners to get together to share ideas and resources. This is such a long diocese that a course mid way always means an hour's journey from A to B. So we have localised gatherings. Here are the HUBS currently running and those in embryonic stage. ANYONE is welcome to join a HUB so do get in touch with the co-ordinator named or me penny.joyce@salisbury.anglican.org to find out more.
