

Tools for Transformation

Simple and practical ways for your church to care for God's earth

ECO  **CHURCH**

the **BIG**
church
switch

16 November 2016 at 7.30pm
St Paul's Church, Salisbury SP2 7QW

Do you want to help your church engage with environmental issues? This is your chance to explore the new Eco Church scheme and the Big Church Switch, hear about current projects in local churches and share experiences. We'll also help you effectively articulate the Christian case for action.

With Bishop Nicholas and Andy Lester (Conservation Director, A Rocha UK)

More information from Miriam Longfoot:

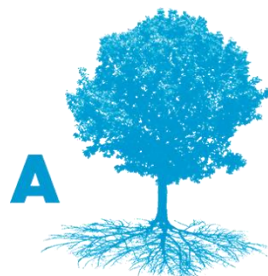

miriam.longfoot@salisbury.anglican.org 01722 411922

All are welcome to this free event

(if possible let Miriam know you're coming)
