Created in 1976 Rumbek was one of the four original dioceses at the inauguration of the Province of Sudan.

The first Bishop of Rumbek, Benjamin Yugusuk later became Archbishop of the ECS.

Bor, Mundri, Lui, Wau, Malakal, Yirol, Cueibet and Renk dioceses were all made from Rumbek.

Rumbek currently has two diocesan areas called Pacong and Akot. Each has it’s own bishop.
