

A Prayer for Sudan

Lord God Almighty,
King of Kings, Creator and Sustainer of all,
we cry to You for all the people of Sudan
as the completion of the
Comprehensive Peace Agreement approaches.

Father,
you know their hopes and fears,
you know the lack of organisation
for the Referendum,
you know the vested interests of some
and the weakness and simplicity of others.
You know the potential for violence
and you know the longing in many hearts for a
Sudan in which all people may live and grow in
peace.
May your love for all mankind guide those
entrusted to lead the nation through these birth
pains.

Move by the power of Your Spirit to bring
order, peace and justice to this land,
that those who honour You
may live and work to Your praise and glory

Amen
