

Generosity and Giving

New webinars to encourage parish giving

On behalf of the Generous Giving Campaign:

Dear Clergy, Licenced Laity, Deanery Lay Chairs, Churchwardens and Treasurers,

We know that transforming Giving and Generosity is key to achieving the shared mission of our Church, while adopting digital giving is key to the long-term sustainability of our churches and their ministry and mission.

We are committed to supporting churches as they inspire those they serve and this autumn we are resourcing a Diocesan wide Generous Giving Campaign with an open invitation to our parishes to take part.

During the months of June and July we are hosting 4 webinars. To join, **PLEASE REGISTER.**

1. **17 June @ 12:30 – Giving Mechanisms**
2. **24 June @ 12:30 – Planning your involvement in the campaign**
3. **8 July @ 12:30 – Theology of Generosity**
4. **15 July @ 12:30 – Preaching workshop**

Please note we will be recording and publishing all the webinars, so please switch off your camera and name badge if you do not wish to appear on the recording.

Please feel free to extend this invitation to others as appropriate.

Kind regards
