

**A Message from the Chairman of the  
BISHOP WORDSWORTH EDUCATIONAL  
TRUST**

January 2019

Dear Headteacher,

**GRANTS FOR 2019**

The Trustees are happy once again to invite schools to make applications for annual grants from the Trust. The accompanying details explain the application process and the Trustees have decided to continue to accept applications on a yearly basis with priority given to those who have not applied before.

We hope that this gives schools the chance to undertake modest projects that were not possible previously due to lack of funds. Occasionally the Trustees may look favourably on larger projects costing up to £3,000. We also hope that it gives schools the opportunity to develop further their delivery of the R.E syllabus. Especially important as we have received the new SIAMS schedule.

Projects should raise the aspirations of the children, and their communities and develop the learning of all who are involved, be they children, staff, families, governors or clergy. It is hoped that projects will aim to work through a collaborative process which involves school and, where appropriate, parishes. The Trust is looking for innovative, collaborative ideas that will really have impact on the children involved. The Trustees will take into account all the criteria mentioned above when making their decisions.

You will note from the application check list that we require six copies of applications which should be sent to our **Clerk (Carolann Johnson), C/o Church House, Crane Street, Salisbury, Wilts SP1 2QB, to be received by no later than Friday 29th March 2019.** The Trustees meet in May and you will be notified of the result of your application during June. Further copies of the application papers will be available on the Diocesan website.

With very best wishes

Yours sincerely

*Jenny Vokes*

Chairman
