

Faith and Worship at Home Resources

Many organisations that normally provide resources are creating materials specifically to help churches, schools and families to create worship and develop their faith at home. Below are some links to resources and activities that you may look to incorporate into worship that you are planning and sharing with your communities - either in your parish role or school leader role or as a family

Prayer Resources that include ideas particularly adapted to use at home and pray about the current situation.	Family Worship resources that are designed for families to explore faith together.	Safeguarding Advice on Best Practice when engaging with people online.
