

9th March 2018

Dear Colleague,

It is excellent to share with you the Partnership Service Agreement for the next academic year.

We have shaped the PSA offer to ensure that our visits to your school are bespoke, matched to your need. We have also given much thought to the national introduction of the new September 2018 SIAMS framework and how this is reflected in the PSA offer. As a team we are in a strong place to support your school with the significant changes within this framework and the opportunities that such change brings. Regardless of when your next SIAMS is due, it is important for us to work together now in order to develop an understanding of the concept of *'deeply Christian'* that is at the core of the new framework. **The PSA in 2018/19 will focus on ensuring creative support that will make a difference for you, your staff and children.**

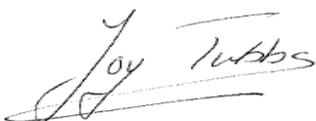

The enclosed leaflet shares with you the depth and breadth of the PSA offer; we have worked hard to ensure that in complex budgetary times the cost of the PSA is not increased this year.

Action

- If you have subscribed this year, simply return form A by 30th June 2018
- If you have not subscribed in this academic year please return form B by 30th June 2018

Most importantly, we deeply value the way, through the PSA, we are able to work together, building real partnership. We look forward to receiving your subscription for the year ahead.

Kind Regards

Canon Joy Tubbs
Director of Education
