

8 Bible-themed Journey Days for Primary Schools

Work with your local first or primary school using this cross-curricular resource for teaching about Christianity

Barbara Meardon & Verity Holloway

These eight story-based workshop days help primary schools deliver high-quality cross-curricular RE supported by their local churches. They are a brilliant way for churches to work with their local school to support teaching about Christianity.

Churches wishing to support schools with the journey days are offered guidance to help them work with teachers to provide a rich learning experience.

Teachers will find ideas to explore journeys in the Bible that will fulfil the requirements to teach Christianity within their RE guidelines. Each themed day comes with several workshop ideas that make links across the curriculum, and draw upon a wide range of creative skills. There are extra materials in the book to

enable parishes to follow up and extend the ideas from the theme day at a parish day, messy church or after school club.

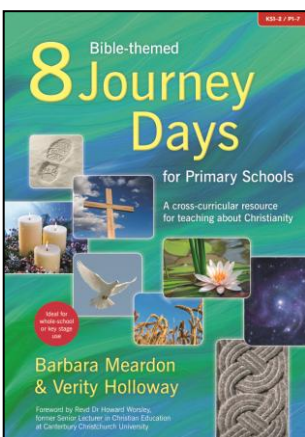

8 Bible-themed Journey Days for Primary Schools, £9.99, published by Barnabas in Schools, part of BRF.
