

Recognising outstanding learning in religious education

What is the RE Quality Mark?

The RE Quality Mark:

- ★ has been developed to celebrate high quality religious education
- ★ provides community schools, faith schools and academies with a framework to capture good practice
- ★ encourages the development and celebration of school wide commitment to excellent teaching and learning in religious education

How does the RE Quality Mark work?

The REQM has five strands:

- ★ Learners and Learning
- ★ Teachers and Teaching
- ★ Curriculum
- ★ Subject Leadership
- ★ Continuing Professional Development

There are three award levels: bronze, silver and gold.

Schools applying for the REQM highlight where they think they meet the criteria. After applying for the REQM an assessor will visit the school, interview learners and meet the subject leader and a member of the senior leadership team.
