

The Bishop of Salisbury's initiative

'Let us talk... about the character and personality of the Diocese of Salisbury'.

Comments from the Incumbent, Lavingtons, Cheverells & Easterton.

1) What is the 'Personality and Character' of your Church?

Traditional and parochial, faithful and resilient.

Mainly aging congregations with the key players feeling their age

2) What are the priorities of your local church?

More committed members to help draw in more families with younger children.

3) In there one thing you'd like to take on in the coming year?

More people talking about 2) above rather than money, fabric and services patterns and times.

4) Are there ways in which we can work together to achieve more?

Via the Deanery perhaps the best vehicle.

5) How can we best measure the quality and impact of church life?

Audit listing activity within the community undertaken by Church members.
