

Smart Answers

Did you know about the Church of England smart speaker apps?

The apps enable millions of users to ask the Church of England for prayers, explanations of the Christian faith, location-based information about local church events and services, and more.

To get started, just follow the instructions for your device below:

"Alexa, open the Church of England"

"Hey Google, talk to the Church of England"

You can also join in with the Everyday Faith campaign on your devices by listening to each of the daily reflections.

"Ask the Church of England for... today's Everyday Faith reflection."

The smart speaker apps are integrated closely with A Church Near You to help you find out about services and events going on close to where you are throughout the year.

The apps also seek to increase users' knowledge of the Christian faith by answering questions such as 'What is the Bible?', 'Who is God?', 'What is a Christian?'

Many of the answers draw on material from the Pilgrim discipleship course and The Pilgrim Way: A Short Guide to the Christian Faith.

And this Lent why not ask for "Today's LiveLent reflection"? Join the Lent campaign to explore the urgent need for us humans to value and protect the abundance God has created, and help you to broaden your view of Christ's redeeming mission.
