Canon printer inks on offer

The Revd Jimmy Hamilton-Brown (ret'd) emailed in, saying:

"My printer recently blew up and was not worth repairing. I now have a new one, but the ink supplies, which I got in part for free from a firm that has closed down, are now useless to me. Can you suggest a church or an individual who might be interested in taking them over at a reasonable price?"

The ink cartridges are suitable for Canon Pixma series iP3600/4600/4700, MP540/550/560/620/630/640/980/990, MX860/870.

Canon brand:

1 x 19ml x 2 (twin pack) Black PGI-520BKT (mint condition, in packet)
