

A Church Near You - live-streaming info needed!

The National Church is promoting live-streaming in our parishes, and is pointing the public to a page on the popular website A Church Near You that lists all the services and events using the 'Live stream' tag.

View the page [here](#).

Please, as you are promoting live streams, add these services and events using the 'Live stream' tag so they appear on this page.

Millions of people visit A Church Near You for various reasons.

Some dioceses already have more than 20 live stream events added!
