## Springs Dance Company – ‘Parable’ and ‘Stepping Out’ workshops

Springs Dance Company specialises in delivering RE through dance and is delighted to have developed a brand new project for schools called Parable. These workshops and performances help children to engage with RE and to make connections between the parables that Jesus told and their own lives, uncovering the relevance of parables today. Parable can be used as an aid to understanding Christianity.

Also available for 2019 and 2020 are Springs’ Stepping Out workshops, which support and encourage pupils dealing with big changes such as moving schools. Springs’ workshops can culminate in an informal sharing or performance by the pupils to the school and parents.
