

A Lent Course

Refugees, Immigrants and the Bible

There are now more refugees in the world than ever before in human history, a humanitarian crisis of overwhelming proportions. In this country fear of being overwhelmed by people of other cultures competes with compassion for people who have suffered so much. This course will focus on discussion on what the Bible has to say about refugees and migration. It will be based on the Bible Society booklet *Love The Stranger*. There will be time for prayer at the end of each session.
