Sunday September 29th 8.10 am

BBC Radio 4 Morning Service live from St John's

Preacher - Bishop Nicholas of Salisbury and Lead C of E Bishop for the environment

There's no need to book and there is no entrance fee.

Open to all faiths and none. Please just come along and join us at St John's!

There will be a Fair Trade Stall, Tea/Coffee, soft drinks and biscuits available after the talks.

Devizes **St** John & **St** Mary

These free talks are aimed at helping us all to become slightly better stewards of the planet we all share and for which we have a collective responsibility. They will also provide an opportunity to learn a little more about the resources that are available to us all locally in this mission.
