#### **Leading into Evangelism**

There is so much good news around the Church, but churches don't always find it easy to share that good news. James Lawrence, CPAS, will be helping us to explore ways to lead our churches in evangelism that connect with the realities of the challenges and embrace the wonderful opportunities.

**James Lawrence** is the Leadership Principal at CPAS, and writes, teaches, and trains on leadership and evangelism in the UK. He is passionate about resourcing the local church to be well led and mission focused, is a semi-professional photographer, and loves ironing!

**CPAS** is an evangelical Anglican mission agency based in the Midlands committed to enabling churches help people hear and discover the good news about Jesus. In this season of our life, we are praying that every church may be a pathway to faith, every leader a catalyst for evangelism, every Christian a courageous witness and every child may have a chance to explore Jesus.
