MILTON ABBEY

HISTORIC CHURCH & LANDSCAPE

Saturday 6 April, 7.30-9.30pm **Bournemouth Male Voice Choir**

We are delighted to welcome back this excellent Choir of accomplished male voices.

Don't miss this opportunity to enjoy the choral range of Bournemouth Male Voice Choir in the unique acoustic ambience of The Abbey at Milton.

The choir's inspiration comes from many different places; from the work of Chor Leoni to The King's Singers, Primus Amabile Men's Ensemble, and Orphei Drängar.

They are committed to new music and believe that the future of choral music depends on new compositions being written for choirs and (in the case of male choirs) this is vital to their survival. In recent years, they have given European premières of music by contemporary composers from the USA.

Adults £12, Under-18s £6. [Book here](#)

Saturday 13 April, 7.30-9.30pm **Bournemouth Sinfonietta - Tenebrae, Light out of darkness: Music for the passion and mystery of Easter**

Join us with The Bournemouth Sinfonietta Choir in a programme of music for the days leading up to Easter. During the service of Tenebrae on Good Friday, the candles in the church are gradually extinguished one by one. Composers through the ages have written intense and moving works for the services of Holy Week. This performance will include Allegri's celebrated setting of the Miserere and some of Victoria's Tenebrae Responses together with Lamentations and other music for Holy Week. Adults £14, Under-18s £2. [Book here](#)

Saturday 27 April, 7-9pm **Dorchester Choral Society - Three Nations Concert**

For this exciting performance, Dorchester Choral Society will be joined by members of two other International Choirs: Kantorei St Andreas Lübbecke and L'Orphéon de Bayeux. Main items in the programme will include:
Handel: Foundling Hospital Anthem (inc. Alleluia Chorus)
Tavener: Funeral Ikos
Fauré: Cantique de Jean Racine
Brahms: Geistliches Lied

Adults £10, Under-18s £5.
